

YOHESWARI RAJENDRAN

Web Developer

+91-9600944727 ◇ yohirajendran@gmail.com ◇ Chennai, Tamilnadu, India ◇ [GitHub](#)

SUMMARY

An enthusiastic and motivated **IT professional** with a **Master's degree in Computer Science and Engineering (M.E)**, currently transitioning into **web development**. Proficient in foundational technologies including **HTML, CSS, JavaScript**, and **React.js**, with a growing knowledge of **Node.js, MongoDB**, and **Express**. Seeking an opportunity to apply my skills and continue growing in a dynamic, forward-thinking organization where I can contribute to web development projects and expand my technical expertise.

A dedicated **Data Analyst** with 5 years of experience in data management, now transitioning to web development. Passionate about learning and applying modern web technologies to solve problems and create user-friendly web applications. Eager to contribute to development teams while growing my technical expertise in web development.

EXPERIENCE

Career gap
